Olmos Park police department apparently will arrest anyone carrying a rifle in public. They say if anyone is alarmed by it, you have committed a crime. They are wrong. I am organizing a mass open carry walk/protest in the next few months. If you are interested pleaseText me your number at 210-540-1726. I will gather a group list and keep everyone updated. Date to be determined. We are in the planning stages.

**Information Report**  
OLLU PD CASE # 2016-0976

On November 2, 2016, OLLUPD began receiving numerous calls about a man walking toward the West Gate carrying a rifle. Officers responded and observed a male subject walking eastbound on the side walk on the north side of West Commerce carrying what appeared to be a rifle. He also had a body camera attached to his chest. This cause the OLLU campus to go into lockdown. The subject continued to walk eastbound until he was close to the West Commerce bridge where he crossed the street at the "Z" crosswalk. The subject then sat down at the VIA bus stop outside of the west entrance gate. At no time did the subject come onto University property. After SAPD officers spoke with him, they confirmed he was just exercising his 2<sup>nd</sup> Amendment Rights and was not a threat. Once it was determined the subject was not a threat the Lockdown at OLLU was lifted. A check with the Fusion Center showed the subject has a history of conducting "2<sup>nd</sup> Amendment Audits" around the city to include areas with school. He has a YouTube channel called TXSHEEPDOG72, where he posts the videos of his encounters with Law Enforcement. If you see the subject around campus again, notify your supervisor immediately and ensure he does not come onto University property.

## BOLO

On January 16, 2018, I received an email from Judson Independent School District Police notifying our department of an incident that occurred approximately three days ago at Kitty Hawk Middle School, involving Todd Ferguson's son. Ferguson is known to be a "Civil Rights Auditor" and he has posted numerous videos, on YouTube (SAEXTAZYPREZ) encountering different law enforcement agencies. Ferguson alleged his son was illegally searched by the Judson ISD Police and since then, he has been posting videos on YouTube complaining about the school district. In the videos he makes threats stating, "I got something really big for the school district". The school administration has made several attempts to contact Ferguson to no avail. At this time, it is uncertain if Ferguson will show up to the Kitty Hawk Middle School campus. Additionally, Ferguson came to our police department requesting a permit to protest in front of the school but became irate when he was informed a fee had to be paid to obtain the permit. He threatened the records staff stating he was going to obtain all police departments staff personal information and release it to the public. Use caution if you are dispatched to the middle school or encounter Ferguson.
